Board 3 · Sales cadence (October 2026)

Sales cadence

October 2026 · report run 22 Oct 2026 · figures current to 21 Oct 2026 · status is judged on pace, not the raw percentage

Business days gone: 16 of 22 · 73%

Days left: 6

Pace: 73%

Orders 703 · Visits 606 · To chase 333

Month to date

At 16 of 22 business days (73%)

Company turnover (invoiced, net of credits)	$331,246 +12% vs Sep 2026 prorated ($296k) On pace
Orders invoiced	703 Avg $471 per order
Gross profit	42.0% $139,195 GP on invoiced sales
Field rep revenue vs target	$274k 6 reps × $100k = $600k; pace needs $436k Well behind
Field visits	606 Target 1,980 (15/day each); pace needs 1,440 Well behind
New customers / lost (>3 mo)	27 / 87 7 new prospects in Prospect 365
Backorders with no purchase order	$9,718 Of $17,151 on backorder (136 lines) Behind pace
Customers to chase now	333 $124k/month of normal spend, no order or contact this month Well behind

Reps vs target

Each rep carries the same monthly target: $100,000 revenue, 330 visits. Open a rep for their own page.

☐	Sales rep	Revenue month to date	Visits	Calls	Touches	New	Lost	GP %	Chase now	Status
☐	MG Mark Gay	$104k	226	1	232	3	28	43.3%	86	On pace

Marketing and leads

Meta lead ads → Eva's lead sheet → Prospect 365 → Unleashed sales · 29 Jun – 22 Oct 2026 · Open the full marketing page

Meta ad spend, Oct 2026	$1,914 $7,314 since 29 Jun 2026 · 20 campaigns live · $688 in the last 7 days
Leads this month	149 Meta counts 149, lead sheet holds 150 · 53 in the last 7 days
Cost per lead	$12.85 $12.38 since 29 Jun 2026; 47% of clicks were link clicks · no target set
Leads reached by phone	43% About 108 of 254 spoken to, read from the sales notes · 201 attempted · 31 email only · 53 not yet worked Watch
Converted to a sale	4 4 backed by an Unleashed order, 0 marked on the sheet only · 1.6% of recorded leads · 4 quoted ($1,733) · 3 already customers · 3 new Unleashed buyers
Revenue traced to leads	$683 Avg first sale $171 ex-GST (4 of 4 conversions carry a $ value) · $0.22 back per $1 on the campaigns the sheet covers · no target set
Cost per converted lead	$782 On $3,129 spent since 5 Sep 2026 on the 11 campaigns the sheet covers · $29 per lead reached · $1,043 per new Unleashed buyer · no target set
Time to first call	4.5 days Median of the 64 leads whose sales note carries a date · 33% within 2 days · 28 leads (11%) outside the campaign's state Needs attention

Weekly spend and leads

Spend per week (left axis) against leads (right axis). The current week is part-way through.

Where the leads end up

Every lead on the sheet since September, by what the sales notes say happened. A blank note is "not yet worked", never "lost".

Stage	Count	Share
Leads recorded (sheet + desk)	254	
Marketing email sent	212	83%
Call attempted	201	79%
Spoken to	108	43%
Quoted	4	2%
Converted	4	2%
Repeat buyer (60+ days)	0	0%

Campaigns

Spend and Meta's lead count since 29 Jun 2026; "on sheet" onwards comes from Eva's lead sheet (September on). Open a campaign for its ads, weekly run and every lead.

Campaign	Brand	Status	Spend	Meta leads	Cost / lead	On sheet	Reached	Converted	Revenue	Outcomes
NSW - Sept/Oct - One stop shop NSW target	Toliccs	Live	$600	36	$16.66	36	14	0	—
